

THE 11 FORGOTTEN LAWS

UNDERSTANDING THE MISSING PIECES THAT COMPLETE THE LAW OF ATTRACTION

4 Simple Tips To Get The Most Out of The Teleseminar with Bob Proctor

1. Print out this Teleseminar Executive Notes so you can write down your notes as you listen to the teleseminar.
2. Review the topic outline before the teleseminar so you know what to listen out for.
3. Write down ALL the interesting and new learnings, ideas and inspirations you get while listening -- that way you won't lose the most relevant information to you.
4. Think of the desires you want to manifest for 2009 and how you can quickly implement the secrets revealed in the teleseminar.

Foundational Understanding

The Law of Attraction in the movie "The Secret" created a conscious awareness globally that this is an _____ and _____ universe.

A Law is something that works every _____, for every _____, everywhere in exactly the same way.

You are going to attract into your life whatever is in harmony with your _____ state and your _____ programming.

In school we're programmed to _____, _____, and _____ . That's never going to work.

If a person doesn't _____ the Laws, the odds of them using it in their favor is rather slim, especially since we're _____ to violate these Laws.

Most people never go beyond where they're at because they don't understand the _____ or the _____ that govern their success.

With conscious _____ comes conscious _____.

When you understand this, then you are in charge of where you go and what you do.

The 11 Forgotten Laws

1. The Law of Non-Resistance

Whatever you resist, _____.

Use this space to write down additional notes, ideas and desires that this Law will help you attract:
